MAKING EVERY MOMENT COUNT

Our Hospice Center Refresh

A Capital Campaign

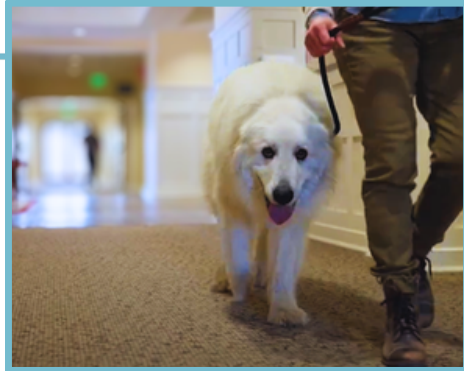

HONORING THE PAST, BUILDING THE FUTURE

ourhospice.org

Honoring Our Past, Building Our Future

For more than two decades, Our Hospice Center has been a place of comfort, peace and compassionate care for thousands of patients and families in our community.

Within these walls, life's most meaningful moments have unfolded — heartfelt conversations, quiet goodbyes and the steady presence of hospice care focused on what matters most.

Project Overview – Why Now?

After 20 years of service, Our Hospice Center needs more than maintenance — it needs thoughtful renovation to continue serving patients and families well.

As the only inpatient hospice center in our area and one of just five in the state, its role is essential.

To continue Making Every Moment Count, Our Hospice Center must evolve to meet the needs of those we serve.

Your Gift Makes Every Moment Count

With more than \$600,000 already raised and renovations underway, momentum is building for the \$2 million Our Hospice Center Refresh. Your support will create private, comfortable spaces for patients and welcoming, home-like areas for families. Together, we can ensure our care team has the environment needed to continue providing compassionate hospice care for years to come.

The Impact of your Generosity

“Within a month, both of my parents needed the Hospice Center. Mom’s leukemia and Dad’s dementia and CHF were very different challenges, yet the staff cared for each of them with compassion, dignity, and love—like family. The comfort of Mom’s room and garden patio brought peace to her final days, and the respect shown to Dad made all the difference. In the hardest time of our lives, Hospice gave us the gift of simply being together.”

— Brigitte Halvorsen

We are Better Together

Every contribution, regardless of size, helps us honor the past and build the future. Together, we can Make Every Moment Count in a space designed for comfort and peace.

Make a One-Time Gift
